

ADMINISTRATIVE RULES OF MONTANA

37.106.2621 MEDICATIONS

- (1) If a client is required to take medication while at the center, the client must be capable of taking his/her own medications, with the following assistance from staff:
 - (a) reminding the client to take the medication at the proper time;
 - (b) removing medication containers from storage;
 - (c) assisting with removal of a cap;
 - (d) guiding the hand of the client; and
 - (e) observing the client take the medication.
- (2) All medications must remain in locked storage until the client is discharged.
- (3) The center must maintain for each client a medication administration record listing all medications administered and those that are refused or not administered.
