

ADMINISTRATIVE RULES OF MONTANA

24.112.506 CIHC ENDORSEMENT

- (1) An applicant for CIHC endorsement shall submit an application, the appropriate fees, and:
 - (a) verification of completion of a department-approved curriculum in community-integrated health care provided by an accredited institution of higher learning;
 - (b) attestation of a minimum of one year of experience at the applicant's current level of licensure; and
 - (c) 48 hours of clinical experience.
- (2) An ECP acting under a current CIHC endorsement shall:
 - (a) act within their scope of practice according to the Montana ECP Scope of Practice Document;
 - (b) follow the patient care plan developed by the physician, PA, or APRN directing the CIHC to their patient, which may not be unilaterally altered by the ECP's medical director; and
 - (c) consult their medical director regarding scope of practice.
