

ADMINISTRATIVE RULES OF MONTANA

37.90.430 HOME AND COMMUNITY-BASED SERVICES FOR ADULTS WITH SEVERE AND DISABLING MENTAL ILLNESS: ADULT DAY HEALTH

- (1) Adult day health is a supervised daytime program that offers health and social services for adults with severe and disabling mental illness to ensure optimal functioning of the member and enrichment activities through engaging social community but who do not require the intervention or services of a registered nurse or licensed rehabilitative therapist onsite.
- (2) An entity providing adult day health services must be licensed as an adult day care center as provided at ARM 37.106.301, et seq.
- (3) Adult day health services are furnished in an outpatient setting that does not include overnight residential services.
- (4) Adult day health includes the following service components:
 - (a) meals as described in ARM 37.106.2616;
 - (b) health, nutritional, recreational, and social habilitation; and
 - (c) transportation between the member's place of residence and the adult day health center.
