

ADMINISTRATIVE RULES OF MONTANA

24.126.301 DEFINITIONS

- (1) "Chiropractic physiotherapy" means thermal, sound, light, mechanical, manual, hydrotherapy, rehabilitative, or other modes of care which may be administered, dispensed, ordered, or prescribed for the purpose of assisting a patient to achieve a timely and favorable clinical outcome.
- (2) "College of chiropractic approved by the board" as used in 37-12-302, MCA, or "chiropractic college" as used in these rules, means a chiropractic college accredited by the Council on Chiropractic Education (CCE) or other accrediting body in good standing with the United States Department of Education and the Council for Higher Education Accreditation. For foreign-trained applicants, the term means a chiropractic college accredited by a body in good standing with the Council on Chiropractic Education International (CCEI) or chiropractic education the board finds to be equivalent.
- (3) "Diagnostic x-ray" as used in 37-12-104, MCA, means any recognized form of diagnostic imaging including, but not limited to, x-ray, CAT scan, and MRI.
- (4) "Dietetic methods" as used in 37-12-104, MCA, means the dispensing or prescribing of dietary supplements, nutritional therapies, or natural substances that are not drugs requiring a prescription.
- (5) "Examination prescribed by the board" as used in 37-12-304, MCA, means:
 - (a) Parts I, II, III, and IV, and physiotherapy of the National Board of Chiropractic Examiners (NBCE) licensure examination; and
 - (b) a Montana jurisprudence examination.
