

ADMINISTRATIVE RULES OF MONTANA

23.16.2613 TESTING AND TESTING FEES

- (1) Each associated gambling business submitting a 50/50 raffle electronic processing system to the department for testing must deposit the sum of \$1,000 to begin testing. This fund is applied toward the department's actual testing cost and is managed as follows:
 - (a) the department's technical services section will bill at the rate of \$130 per hour; and
 - (b) the department will provide an accounting to the licensee for charges assessed and will refund any overpayment. The department will notify the submitting person of any underpayment and collect that money prior to notice of its intended action.
