

ADMINISTRATIVE RULES OF MONTANA

32.4.202 IDENTIFICATION OF OMNIVORES AND CARNIVORES

- (1) Omnivores and carnivores shall be tattooed as required by 87-6-701, MCA.
- (2) Each omnivore and carnivore shall be identified by microchip identification. The department shall specify the brand of microchip. The owner shall provide the department the microchip number/frequency and location of insertion of the microchip for each animal.
- (3) If the animal does not qualify for a waiver under ARM 32.4.203; the animal must be fitted with a collar or other form of identification that meets the requirements of 87-4-414, MCA designated by the Department of Livestock.

Authorizing statute(s): 87-4-422, MCA

Implementing statute(s): 87-4-422, MCA

History: NEW, 1999 MAR p. 136, Eff. 1/15/99; AMD, 2018 MAR p. 1960, Eff. 10/6/18.
