

ADMINISTRATIVE RULES OF MONTANA

10.53.101 EXPLANATION OF THE CONTENT STANDARDS

- (1) The content standards shall be used by school districts to develop local curriculum and assessment in all the content areas including:
 - (a) English language proficiency;
 - (b) English language arts and literacy;
 - (c) mathematics;
 - (d) arts;
 - (e) health and physical education;
 - (f) science;
 - (g) career and technical education;
 - (h) computer science;
 - (i) library media and information literacy;
 - (j) social studies; and
 - (k) technology integration.
- (2) The K-12 content standards describe what students shall know, understand, and be able to do in these content standards. These K-12 standards define end-of-year expectations and a cumulative progression designed to enable students to meet college and career readiness expectations no later than the end of high school.
