

ADMINISTRATIVE RULES OF MONTANA

37.90.425 HOME AND COMMUNITY-BASED SERVICES FOR ADULTS WITH SEVERE AND DISABLING MENTAL ILLNESS: CASE MANAGEMENT

- (1) Case management means case management as defined in the Code of Federal Regulations (CFR) at 42 CFR 440.169(d)(e).
- (2) Case management services offered under the Severe and Disabling Mental Illness, Home and Community Based waiver program are provided through a selective contract for conflict free case management under the authority of a 1915(b)(4) waiver authorized under Section 1915(b) of the Social Security Act.
- (3) A case management team must consist of:
 - (a) a case manager with a bachelor's level education in the field of human services; and
 - (b) a registered nurse, licensed practical nurse, licensed clinical social worker, or licensed clinical professional counselor to provide clinical supervision for every two case managers.
- (4) Case management teams submit annual report cards to the SDMI HCBS waiver program staff as well as monthly utilization reports to ensure that quality assurance measures are met in accordance with performance measures.
