

ADMINISTRATIVE RULES OF MONTANA

24.301.1001 DEFINITIONS

For the purposes of this chapter, the following definitions apply:

- (1) "Call center" means a notification center, as defined in 60-4-501, MCA, that serves a designated geographical region of Montana for purposes of allowing excavators to obtain the location of underground facilities in the location where an excavation is proposed to occur. A call center is also known as a "call before you dig" center, or an "811" center.
