

ADMINISTRATIVE RULES OF MONTANA

37.111.103 VARIANCE

- (1) The local regulatory authority may grant a variance to a requirement of this subchapter if, in the opinion of the local regulatory authority, a health hazard or nuisance will not result from the variance.
- (2) To apply for a variance, the applicant must submit the following information:
 - (a) a statement as to why the applicant is unable to comply with the rule from which the variance is requested;
 - (b) the nature and duration of the variance requested;
 - (c) a statement of how the intent of the rule will be met and the reasons why the public health or safety would not be jeopardized if the variance is granted; and
 - (d) other information deemed necessary by the local regulatory authority to establish that a health hazard or nuisance will not result from granting the variance.
- (3) The local regulatory authority must retain the variance application and decision in the establishment file as long as the variance is applicable.
- (4) Prior to issuing a variance, the local regulatory authority will contact, notify, and consult with the department about any similar variances to help ensure uniform application of the law.
