

ADMINISTRATIVE RULES OF MONTANA

37.100.139 DISCHARGE CRITERIA

- (1) The provider will not discharge or transfer a resident from the AFCH without prior planning, including:
 - (a) providing a written 30-day prior notice to the resident or resident's legal representative; and
 - (b) maintaining a record that includes:
 - (i) the date of discharge;
 - (ii) the reason for discharge;
 - (iii) the disposition of money, valuables, and medications held for safekeeping; and
 - (iv) a forwarding address of the resident or the resident's legal representative.
- (2) A resident may be involuntarily discharged in less than 30 days for the following reasons:
 - (a) the resident has a medical emergency;
 - (b) the resident exhibits behavior that poses an immediate danger to self or others; or
 - (c) the resident has not resided in the facility for 30 days.
