

ADMINISTRATIVE RULES OF MONTANA

37.86.2235 EARLY AND PERIODIC SCREENING, DIAGNOSTIC AND TREATMENT SERVICES (EPSDT), ORIENTATION AND MOBILITY SPECIALIST SERVICES

- (1) Orientation and Mobility Specialist Services are those services provided by an individual with:
 - (a) a certification from the Academy for Certification of Vision Rehabilitation and Education Professionals (ACVREP); or
 - (b) a National Orientation and Mobility Certification (NOMC) offered by the National Blindness Professional Certification Board (NBPCB) to Medicaid clients with a diagnosis of a visual impairment.
- (2) Orientation and Mobility Specialist Services are medically necessary services provided to Medicaid clients whose blindness and visual impairment cause them to need vision-assisted services.
