

## ADMINISTRATIVE RULES OF MONTANA

### **37.90.413 HOME AND COMMUNITY-BASED SERVICES FOR ADULTS WITH SEVERE AND DISABLING MENTAL ILLNESS: COST OF PERSON-CENTERED RECOVERY PLAN**

- (1) In order to maintain the program cost within the appropriated federal and state funds, the cost of a member's Person-Centered Recovery Plan (PCRP) may be limited by the department.
- (2) The total annual cost of services for each member, except as approved by the department, may not exceed a maximum amount set by the department.
- (3) The department may limit the services members receive under the waiver program based upon the appropriation of funding by the legislature.
- (4) The cost of services in the PCRP must be determined prior to implementation of the PCRP and may be revised as necessary by the department or the department's designee.
