

ADMINISTRATIVE RULES OF MONTANA

37.81.1013 MAINTENANCE OF A WAITING LIST FOR THOSE DETERMINED ELIGIBLE FOR MONTANA PHARMASSIST

- (1) The department will process PharmAssist Patient Packets and notify eligible individuals in writing if no available program slot exists, either due to lack of appropriations or credentialed pharmacists in their region.
- (2) Eligible individuals will have their names maintained on a waiting list until program slots become available.
- (3) When program slots become available, clients will be referred to a credentialed pharmacist for services on a first in first served basis.
