

ADMINISTRATIVE RULES OF MONTANA

24.301.1243 APPLICATION FOR INSIGNIA PURSUANT TO PLAN REVIEW

- (1) The unit manufacturer shall apply for an insignia of approval for each individual unit manufactured. The application shall be submitted to the bureau on the proper bureau form, including the insignia fees as required by ARM 24.301.1263. The application shall include the approved model number and the serial number(s) for each individual unit the insignia(s) of approval will be applied to.
- (2) The manufacturer producing the model shall receive the insignia of approval from the bureau and will be responsible for attaching the insignia of approval to each unit.
- (3) An insignia of approval obtained pursuant to this rule shall be utilized within 12 months of the date of issuance. Any insignia of approval not utilized within 12 months of the date of issuance is deemed void. No refund or credit shall be issued for void insignia of approval.
