

ADMINISTRATIVE RULES OF MONTANA

37.86.1401 CLINIC SERVICES, DEFINITIONS

- (1) "Clinic services" means preventive diagnostic, therapeutic, rehabilitative, or palliative items or services provided under the direction of a physician by an outpatient facility that is not part of a hospital, but is organized and operated to provide medical care to outpatients independent of a hospital. Clinic services may be provided in surgical centers and public health departments. Clinic services do not include mental health center services as defined in ARM 37.88.901.
- (2) "Ambulatory surgical center services" means clinic services which are provided in a licensed, freestanding ambulatory surgical center, but do not include physicians services, anesthesiologists services, ambulance services, or major prosthetic appliances such as intraocular lenses.
