

ADMINISTRATIVE RULES OF MONTANA

12.6.1544 WAIVERS

- (1) The department, in its discretion, may waive any rule if it finds that the rule poses an undue hardship to an individual applicant or licensee and that the waiver will not threaten or adversely affect the health and safety of wildlife, livestock and the public. An applicant or licensee wishing to receive a waiver of a rule must make a written application to the department stating the basis of the request.
