

ADMINISTRATIVE RULES OF MONTANA

24.30.112 NOTICES TO EMPLOYEES

- (1) The employer shall post and maintain notices informing employees of the protections and obligations provided for in the Montana Occupational Safety and Health Act. Notices are available by contacting the department and on the department's website.
- (2) If an employer receives a citation, the employer shall immediately post an unedited and legible copy of the citation in a prominent place where it will be seen by all affected employees. The citation, and all related materials, shall remain posted for 30 days or until all abatement action has been approved by the department, whichever period is longer.
- (3) If employees do not work in a central location, the employer shall disseminate the notices described in (1) and (2) to all affected employees, consistent with typical business practices for disseminating information.
