

ADMINISTRATIVE RULES OF MONTANA

37.82.1004 MEDICAID FOR WORKERS WITH DISABILITIES: GENERAL ELIGIBILITY CRITERIA

- (1) An individual is eligible for benefits through the Medicaid for Workers with Disabilities program if the individual:
 - (a) is employed;
 - (b) has a disability as defined in 42 USC 1382c, except that the criteria that the individual must be unable to engage in substantial gainful activity does not apply;
 - (c) has family income and resources that do not exceed the limits specified in ARM 37.82.1005 and 37.82.1006;
 - (d) pays a cost-share amount as specified in ARM 37.82.1007; and
 - (e) satisfies all other eligibility requirements specified in the authorities cited in ARM 37.82.1003.
