

ADMINISTRATIVE RULES OF MONTANA

20.28.134 COMPLETING SCHEDULE C-CONSULTANTS AND CONTRACT SERVICES

- (1) Costs for consultant and contract services are allowable and can be included on Schedule C to the extent that they benefit state inmates and are required by contract.
- (2) The following contract services are usually allowable either fully or using a bed ratio if only a portion of the cost benefits state inmates:
 - (a) in-house medical, dental, and mental health care. Medical co-payments paid by inmates must be offset against any claimed medical costs;
 - (b) custodial and maintenance;
 - (c) legal services and nondenominational religious services;
 - (d) GED and other educational or treatment programs; and
 - (e) food service.
- (3) The following types of contract costs are usually not allowable:
 - (a) prescription/pharmacy, if the state is billed separately for such medication; and
 - (b) electronic monitoring of inmates and home detention programs.
