

ADMINISTRATIVE RULES OF MONTANA

24.40.1201 ADOPTION OF NASWA INTERSTATE CLAIM PROCESSING PROCEDURES

- (1) Interstate claims are governed by the National Association of State Workforce Agencies (NASWA)'s Interstate Benefit Payment Plan of 1938, to which the department is a signatory, and the Interstate Arrangement for the Combining of Employment and Wages of 1971, 20 CFR § 616.
- (2) NASWA maintains the Unemployment Insurance Interstate Connection Network (UI ICON) website so every state UI agency, including the department, can request and receive data for use in the filing and processing of combined wage claims, military, and federal claims. Each jurisdiction, including this state, is required to keep their jurisdiction's UI claim processing information current on the UI ICON website.
- (3) Information for processing interstate claims is available on the NASWA website, or by contacting the department.
